VISION & MISSION STATEMENTS

The vision of St. Juliana Falconieri Catholic Community is to live as a people of God with Christ at the center of our lives through liturgy, faith formation and community.

Our mission is to be a welcoming family dedicated to proclaiming the gospel, celebrating the Sacraments, educating, serving, and providing opportunity for all to enrich their faith.

Order of Friar Servants of Mary United States of America Province

THE PARISH AS ONE BODY

*"If the whole body were an eye, where would the hearing be?
If the whole body were hearing, where would the sense of smell be?
But as it is, God placed the parts, each one of them, in the body as he intended...
The eye cannot say to the hand, 'I do not need you,'
nor again the head to the feet, 'I do not need you.'
Indeed, the parts of the body that seem to be weaker are all the more necessary.
Now you are Christ's body, and individually parts of it."* (1 Cor. 12:17-25)

The Seven Essential Elements of Parish Life constantly interrelate,
each nurturing and supporting the other with the communal celebration of Sunday Eucharist at the center.

A NOTE FROM FR. MIKE PONTARELLI, O.S.M.

It's CATHOLIC SCHOOLS WEEK – let's celebrate the Good News of Catholic Education and Faith Formation. We have strong schools of Good News on our campus – a Parish Catholic Grammar School and our parish faith formation programs. Thank you – administrators, faculty, staff and an army of volunteers, students, and parents for making St. Juliana Falcons a great school, a community to learn and practice our faith. **GO FALCONS...GO FALCONS**

Faith formation at the parish school and a variety of parish programs is successful when the graduates of the school and the members of the parish imitate Christ. Imitating Jesus is the measure of success. Forming faithful disciples of Jesus and His Gospel must permeate Catholic education at all levels and each program. **Football teams, activities, advanced placement programs and graduate schools notice: “Catholic education is successful when its graduates imitate Jesus Christ.” If there is no evangelization, there is no Christian school. Faith formation programs exist because they evangelize.**

As Jesus taught with a “new kind of authority” so does the Catholic school teach with a “new kind of authority.” Jesus is the authority that teaches today: “you must change your life, 180° from the kingdom society to the Kingdom of God.” Students of our Catholic school and parish faith formation programs ALWAYS learn to believe and understand their faith experience, and live what they believe and understand.

The Kingdom of God, a new community and God's creation, is formed with the Lord of Life at its center. At our school, students form the habit to pause and listen to the voice of the Lord who guides us and whom we obey. That foundation forms a good faith habit. The identity of the Lord will spread as students of our schools learn and live the life giving relationship with Jesus they form in Catholic schools.

That's the Good News of Catholic Schools.

There are competing voices and but no higher authority. Be aware of the competition, those voices which shout: “The more you have the happier you will be. Everyone knows, everyone is doing, religion is leaving you behind. Religion is for the weak.” Strong and informed directs our students and this Catholic community to spread the Good News of a different Kingdom.

I want each one of you to participate in the faith formation classes, sacramental preparation programs and parish school offered on our campus. The baptized never stop being disciples, students of the Word of God.

It is very possible to be good citizens of the city without being good citizens of the Kingdom of God. Learn the ways of the Kingdom of God in our faith based learning programs. Practice what you learn.

I need you to bridge the Parish Grammar School and the Parish Church Community to form one Parish Community in faith formation. Jesus formed a community by the single personal invitation: “**Come Follow ME.**” **The personal invitation is from Jesus to us.** Our faith formation programs of Catholic education at all levels are for **YOU**. If there is a program you want to know about, please contact Mr. Mike McHenry in the Parish Office or Mr. Manuel Gonzales at the Parish Grammar School.

The Good News of Catholic Schools Week – is the Good News of the way we form a relationship with Jesus and become Church.

Catholic education is the way to faithfulness. Imitate Jesus by the way you experience and know him.

A LETTER FROM THE ST. JULIANA CONSULTATIVE SCHOOL BOARD

January 2018

Dear St. Juliana Community,

Our beloved St. Juliana Parish School is currently operating in its 60th year. We are so proud of all of our current and former students, teachers, parents and supporters who have kept it thriving in providing a faith-based and well-rounded education for our Transitional Kindergarteners through Eighth Graders. The best evidence of this is the impressive high schools, colleges, universities and postgraduate programs to which our students have been admitted. As we open a new year we want to share some background, accomplishments and future plans of St. Juliana Consultative School Board.

The Western Association of Schools and Colleges (WASC) committee, in their accreditation review of 2010, recommended that a school board be formed to support the longevity of the school and the goals/objectives of the Principal and Pastor with regard to the future of the school. St. Juliana Consultative School Board was established in that year. The board was to be made up of parents, parishioners, alumni and community members. St. Juliana Consultative School Board shares the vision of the Parish, the mission of the school, and the charism of the Servites. The Board is rooted in the Catholic values and Catholic traditions in education.

St. Juliana Consultative School Board (JCSB) has been instrumental in assisting the Principal and the Pastor over the past several years with the following:

- *Design, development, use and distribution of marketing materials for our school, specifically a GROW Brochure for prospective families.
- *Extensive research and support for the opening of Transitional Kindergarten to the point of our school offering T-K beginning in Fall 2014.
- *Research and support of jump-starting and growing our school's endowment fund. This fund grew from \$24k to \$95k presently through collaboration with the St. Juliana School Parent Club fundraising efforts.
- *Extensive research and support for adding Spanish to the school's curriculum to the point of offering this to our students in this 2017-18 school year.

As we progress in our work with JCSB we invite you to join your prayers with ours in asking the Lord to bless our efforts as we support the Principal and Pastor of our school community for the betterment of all. Here are the goals that are on the agenda for this year:

- *Continue to grow our endowment fund through fundraising efforts supported by the St. Juliana School Parent Club, Parish, and all others who believe in Catholic school education.
- *Establish an Alumni channel which we believe will strengthen our St. Juliana community.
- *Continue our efforts to become a Blue Ribbon distinguished school. With the implementation of a world language (Spanish) we can continue this process. Although it will still take at least two years for this distinction, we are well on our way.
- *Continue assisting the Principal and the Pastor with larger facility planning and management.
- *Continue to offer a competitive curriculum to become a school of choice when families are making their educational decisions.

We would like to take this opportunity to thank the many past members of our school board who have contributed to the success of these efforts since its inception. Their time and talents are very much appreciated.

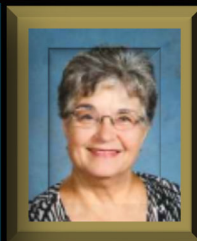

As we continue on a daily basis to make good use of the talents and gifts that God has given us, we look to all of you for continued support. We are all honored to serve you.

God bless and peace to all.
