VISION & MISSION STATEMENTS

The vision of St. Juliana Falconieri Catholic Community is to live as a people of God with Christ at the center of our lives through liturgy, faith formation and community.

Our mission is to be a welcoming family dedicated to proclaiming the gospel, celebrating the Sacraments, educating, serving, and providing opportunity for all to enrich their faith.

Order of Friar Servants of Mary United States of America Province

THE PARISH AS ONE BODY

*"If the whole body were an eye, where would the hearing be?
If the whole body were hearing, where would the sense of smell be?
But as it is, God placed the parts, each one of them, in the body as he intended...
The eye cannot say to the hand, 'I do not need you,'
nor again the head to the feet, 'I do not need you.'
Indeed, the parts of the body that seem to be weaker are all the more necessary.
Now you are Christ's body, and individually parts of it."* (1 Cor. 12:17-25)

The Seven Essential Elements of Parish Life constantly interrelate, each nurturing and supporting the other with the communal celebration of Sunday Eucharist at the center.

Gospel Meditation

Encourage Deeper Understanding of Scripture

Of all the things Jesus says which seem totally bat-crazy, this one might take the cake: **“But I say to you, love your enemies, and pray for those who persecute you.”** An enemy is someone who desires the destruction of you, your projects, or those you care about. To love and pray for them is to want their health, strength, and flourishing. But if they thrive, they are more likely to hurt you and others. So, aren't you indirectly willing your own destruction, or that of your friends? If you doubt that this problem is embedded in this teaching, when was the last time you actually prayed honestly for the people you really hate?

How can we solve this riddle so we might actually live this command? Recall that enemy-love is the surest sign that you love someone with God's love, and not with indirect egotism. After all, if my love for my enemy ends up hurting me or my loved ones, it can't be for me. Enemy-love costs more because there are no tit-for-tats. No reciprocity — just loved poured out, and often pain in return. That's why it is so precious and rare. “What is unusual about that?” asks the Lord about love for our friends. Jesus wants us to experience the unusual love which only comes from him.

When Jesus was being killed on the cross, he was loving his executioners. In fact, he was holding them in being as they nailed him to the cross. He loved those who were spiritually piercing his Mother's heart, while they were doing it. And when he rose from the dead, he showed us that this kind of love is always worth it. It's stronger than death. Real love is unusual.

Upcoming Marriage Enrichment Workshop with Dr. Dorothy O'Neill & RCBO

Dr. Dorothy O'Neill has been working closely with the Office of Family Life at the Roman Catholic Diocese of Orange to present the Reconcilable Differences Marriage and Couple Relationship Enrichment Workshop. This one-day workshop will be held at St. John Neumann in Irvine on February 25th and will help couples understand their differences by understanding core conflicts and patterns and learning how to enact deliberate change. Through insightful instruction and thought-provoking exercises, couples will learn how to find an acceptance of their differences through empathy and compassion to strengthen the couple and marital bond, all with an emphasis on faith and its role in couple relationships.

The \$225 registration fee per couple includes group instruction, guided exercises, and breakout sessions for further exploration as well as a copy of Dr. Dorothy O'Neill's book *The Rules of Engagement: Growing Side by Side* and *Reconcilable Differences* by Dr. Andrew Christensen, a pastry breakfast, refreshments throughout the workshop, and a catered lunch. There are brochures available in our vestibule that include information regarding how to register.

EARTHQUAKE

Turkey and Syria

Destruction:

- A 7.8 magnitude earthquake devastated large areas of central Turkey and northwest Syria, followed by a second magnitude 7.7 quake.
- Death toll has surpassed 2,000 and continues to climb.
- Thousands of buildings have collapsed.
