The vision of St. Juliana Falconieri Catholic Community is to live as a people of God with Christ at the center of our lives through liturgy, faith formation and community.

Our mission is to be a welcoming family dedicated to proclaiming the gospel, celebrating the Sacraments, educating, serving, and providing opportunity for all to enrich their faith.

## THE PARISH AS ONE BODY

*"If the whole body were an eye, where would the hearing be?  
If the whole body were hearing, where would the sense of smell be?  
But as it is, God placed the parts, each one of them, in the body as he intended...  
The eye cannot say to the hand, 'I do not need you,'  
nor again the head to the feet, 'I do not need you.'  
Indeed, the parts of the body that seem to be weaker are all the more necessary.  
Now you are Christ's body, and individually parts of it."* (1 Cor. 12:17-25)

The Seven Essential Elements of Parish Life constantly interrelate, each nurturing and supporting the other with the communal celebration of Sunday Eucharist at the center.

## Gospel Meditation

### Encourage Deeper Understanding of Scripture

What are you supposed to do about the bad behavior of the people around you? You know who I'm talking about. That family member, friend, coworker, or acquaintance who is quite immoral. On this front there are two lively options in our culture: bash the person to others (probably online) or pretend everything's fine. The former damages the person. The latter ignores reality. What to do?

Jesus' strategy in the Gospel of Matthew is as wise as it is difficult: go directly to the person, and then gradually expand the circle of intervention. Simple, often effective, and hard. But what we often miss is the context of the Lord's strategy, "If your *brother* sins against *you*..." Notice the italicized words. Is the person in a Christian familial bond with you? And was the action in question against *you*? If so, proceed with the plan. Fine. But how often we fret over the sins of those who either aren't our spiritual siblings or have done nothing directly to us. This is not an invitation to ignore injustice in the world. Rather, we should build bonds of fraternal love, and carefully discern when and how others' sins are indeed our concern. Sometimes they are. Other times — frequently, perhaps — they simply are not.

— Father John Muir
