The vision of St. Juliana Falconieri Catholic Community is to live as a people of God with Christ at the center of our lives through liturgy, faith formation and community.

Our mission is to be a welcoming family dedicated to proclaiming the gospel, celebrating the Sacraments, educating, serving, and providing opportunity for all to enrich their faith.

*Order of Friar Servants of Mary United States of America Province*

## THE PARISH AS ONE BODY

*"If the whole body were an eye, where would the hearing be?  
If the whole body were hearing, where would the sense of smell be?  
But as it is, God placed the parts, each one of them, in the body as he intended...  
The eye cannot say to the hand, 'I do not need you,'  
nor again the head to the feet, 'I do not need you.'  
Indeed, the parts of the body that seem to be weaker are all the more necessary.  
Now you are Christ's body, and individually parts of it."* (1 Cor. 12:17-25)

The Seven Essential Elements of Parish Life constantly interrelate, each nurturing and supporting the other with the communal celebration of Sunday Eucharist at the center.

## Live The Liturgy Inspiration of the Week

Today, Jesus calls the Holy Spirit "the Advocate." The Latin for lawyer is "advocatus." Like a lawyer, the Holy Spirit defends us. The Holy Spirit guides us. So, when you're in trouble, don't forget: ask for your lawyer, and do what he tells you.

# Knights of Columbus Catholic Citizen Essay Contest

4<sup>th</sup> Grade Winner Reece Pellicer

All of the time, talents, and treasures I have been given are from the Lord. I use these three every day with my family, my friends, Jesus/God, and other people. I use my time, talents and my treasures by helping my family when they need it or even when they don't ask for something they need help with or when they want me to make something with them like a small activity. Another thing is that I could read to my little cousin at night to make him sleep and I'm using my time to make my cousin sleep at night by reading him a bedtime story to make him sleep. Lastly, I could feed my pet fish at morning and night so it can be well fed for the morning and night.

I use my talents at home by doing my chores like washing the dishes, taking out the trash, cleaning my room, and more which could make parents really proud. Another thing is that I could obey the rules at home and that means that I am using my talents by listening and obeying the rules at home. Lastly, I could do sports to make my parents proud and that means that I am using my talents at home or by playing the actual sport like basketball, soccer, and especially volleyball and that is being athletic for doing those sports. I use my treasures at home by giving it to my family if they ever need it to save up for something they really need or want like a college tuition or toys for kids and more other stuff for their needs and wants.

At school, I use my time by going to school for education and by listening to the teacher during class and by doing my work at school that the teacher assigned the class to do. Another thing is that I could go to after school programs which means that I am using my time after school which means that I'm still at school but just after school. Lastly, I can go to office hours after school which is for doing unfinished work and that means that I'm staying after school to work on unfinished work so my grade is still good. I use my talents at school by making my new buddy at school feel happy like by talking to them, helping them, being kind to them, and by treating them equally to everyone at my school and if they get hurt or they are sad, I could talk to them if they're sad and if they were hurt, I would help them like by covering the wound with a bandage or other stuff if it's big or if it's so small. I use my treasures at school by donating money to my school so they could buy things for the school like a fundraiser or something else.

At church, I use my time by going to mass on Sundays, Saturdays, and Fridays or when I go to adoration with my class or with my family or just my parents and Fridays when I go to mass is just with the whole school and also by praying and listening to Father during mass. I use my talents by praying to God and Jesus at mass or at adoration or whenever during any day and by participating at St. Vincent DePaul food drive where we give the food the school donated and we give the food to those who need the food and also by fasting. Another thing is that during Lent, we don't eat meat during Lent but only on Fridays and that means that I am doing a sacrifice during Lent on Fridays. Lastly, I can be respectful and quiet during mass which means I'm trying my best not to speak or be so loud during mass which is a good thing to do at mass. I can use my treasures by offering money to the church like if they need it or if I just want to just offer to the church.

God has given me many times, talents, and treasures. I use these at home, school, and church. I feel kind hearted about helping my community and respecting my community by helping them like by doing a fundraiser and by respecting them and by donating to my community whenever they need it.
